

Interaction Programme with Deputy Commissioner at Principal's Chamber

As the college was awarded the Green Award for the year 2021 under the Swachta Action Plan, Deputy Commissioner of Lakhimpur district visited the college on 11-07-2021 to look into the details of Swachta activities taken by the college. The DC was accompanied by Bihpuria revenue circle officer. Apart from looking the college campus a short interaction was held with Principal, IQAC Coordinator, NSS Programme officer and other faculties of the college. They had suggested the college to add more environmental related activities, urged to install solar plant and rain water harvester and nurturing all saplings planted in the premises. They also congratulated the college authority and NSS programme officer for securing the top spot amongst the colleges in the competition.
