

Awareness Programme on Blood Donation on Occasion of NSS Day

The great day of 24th September is celebrated as NSS day in all over the country. Keeping in the mind of its importance, the NSS Wing of Sankardeva Mahavidyalaya also decided to observe the day. In this year, the NSS wing decided to celebrate the NSS day of 2021 by organising an awareness programme on Blood Donation to motivate the young volunteers. As we all know that Blood Donation is one of the significant activities of NSS and it is an important part of serving the humanity. So the NSS unit of the college invited two speakers Mr. Devaraj Borah, Spokesperson, Team Humanity, Central Committee, Jorhat, and Mr. Chandan Saikia, Spokesperson, Team Humanity, District Committee, Lakhimpur to deliver their talk as they are the significant contributor in the field. The programme was very successful and the volunteers greatly benefitted from it. The programme was started at 12 am and concluded at 3 PM. In this programme a total number of 42 NSS Volunteers, faculties and non-teaching staff of the college actively participated.
