

Best Practice: 1**Title: Community Awareness Programme on Environment****Objectives**

1. To develop environment consciousness among the people of the locality.
2. To bring awareness on common diseases and its remedies among the masses

Introduction: Sankardeva Mahavidyalaya has an NSS wings with more than 100 nos. of students and it is recognized by Dibrugarh University. In this session the NSS wings of the college, under the guidance of NSS programme officer Mr. Brojen Saikia undertook a cleanup camp from 24th March to 25th March 2017 at Rupjyoti ME School, Pthalipahar, Majulial Gaon. Total 30 nos. students have participated in the cleanup camp, out of 75 students 17 were boys and 13 were girls. In that 2 days camp, the volunteers cleaned the school campus and they constructed a new link road to the school and bamboo fencing was made to cover the boundary of the school. Moreover, they conducted an awareness programme on common diseases and its remedies. Dr. Umaram Tamuli joined as a resource person in the discussion on the topic "Common diseases and its remedies". On the last day a cultural show was performed by the volunteers in presence of the school students and local community. This programme helped in developing a good connection among college students and local community.
