## FROM THE PRINCIPAL'S DESK

First of all, I, on behalf of the college fraternity and entire community of this locality, extend a warm welcome to you from the core of my heart as the Principal, Sankaradeva Mahavidyalaya, Pathalipahar, Lakhimpur, Assam. It is the harvesting time to take stock of our aspirations and accomplishments so far, and it is also a good vantage point from which to look forward to our aspirations, both state and interstate. This historic college was established on 5<sup>th</sup> September 1982. The college got provincialized in 2005 as per instruction of Govt. of Assam. This institution provides a good platform for the development and upliftment of the students and also to meet the hopes and aspirations of the students. The College is ever aware of the need to make itself updated and relevant in a fast-changing environment and kept pace in the state along with enabling change in a positive way. It realizes that an insular, isolationist, and rigid attitude to education will not foster development and therefore, it is open to innovative ideas and practices.

At present, the college is imparting knowledge through nine departments along with the dedicated band of teachers of this college. We have already completed the NAAC assessment and accreditation for the Second cycle with B+ Grade in 2023. As the fast-growing Degree College in the western part of the greater Lakhimpur District of Assam, our college is continuously trying towards offering quality education to its students. The College is situated in a border area of Assam and Arunachal Pradesh and surrounded by charming hills and plains marsh. Though the institution is located in a rural, economically, and educationally backward area and poverty of its people, this college has strived towards advancement and progress in all directions. Since its inception, it has received many accolades and reached historic milestones among the rural college in Assam. The college has a plan to build up a strategic plan for inclusiveness, equity, and equality, employability at the label of students, and enhancing participatory management in academic activities. To this end, it has taken measures to establish connections and encourage the exchange of ideas by collaborating in different capacities among the clustering college. We hope you enjoy this small glimpse into the vibrant life of college as we strive towards ever-greater deeds. Once again, I, on behalf of the college fraternity, extend my heartfelt welcome to the entire students, guardians, and communities of this locality. Thank you.
