

Student Satisfaction Survey for Academic Year 2022-23

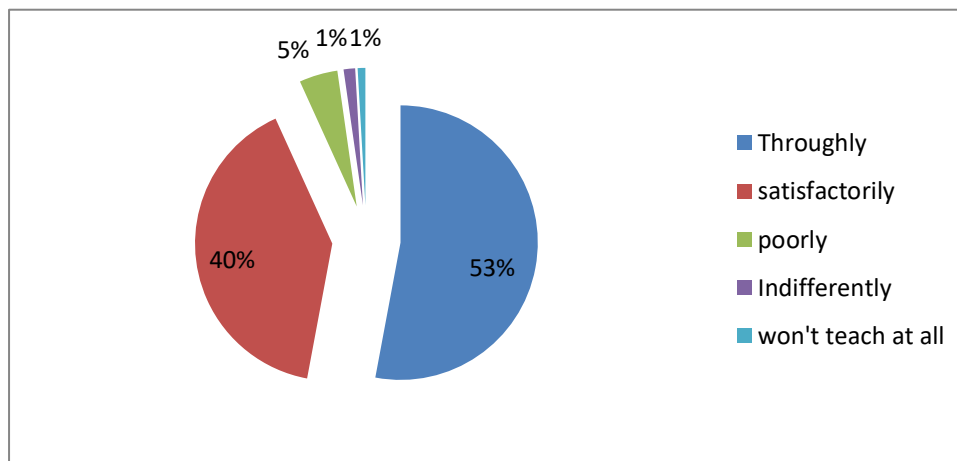

The student satisfaction survey for the academic year 2022-23 was conducted as per the guidelines given by NAAC. A total of 221 students from 1st, 3rd and 5th semesters of 9 departments of the college participated as respondents in the survey.

The responses of the students were analyzed by a committee constituted by the Principal comprising of the President, College Governing Body, Principal, Vice- Principal and coordinator of IQAC and the report was submitted to the Principal to take necessary action for further enhancement of the College. The following are the statistics of the survey:

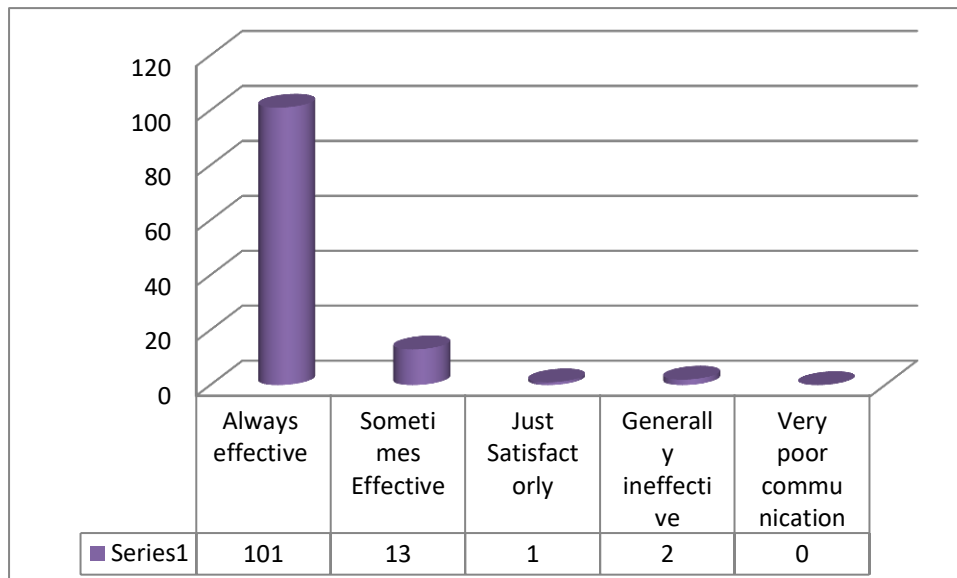

1. How much of the syllabus was covered in the class?

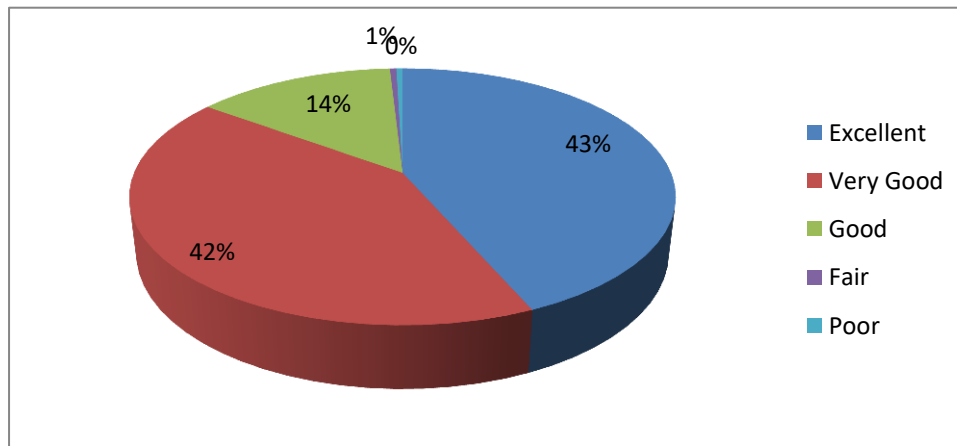

2. How well did the teachers prepare for the classes?

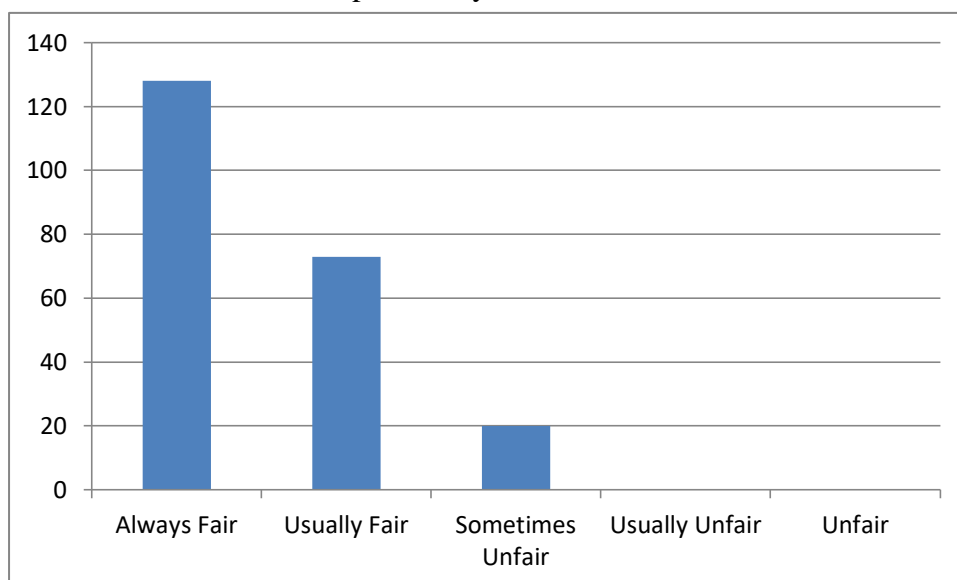

3. How well were the teachers able to communicate?

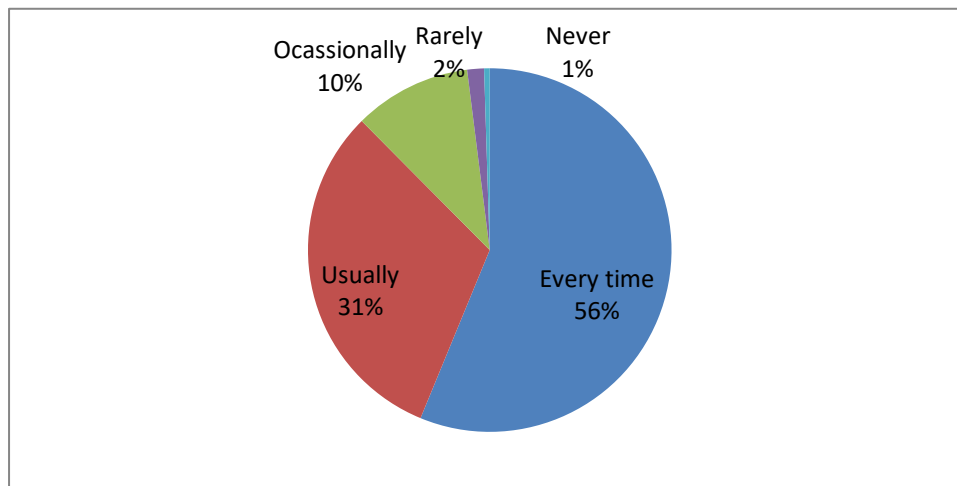

4. The teacher's approach to teaching can best be described as

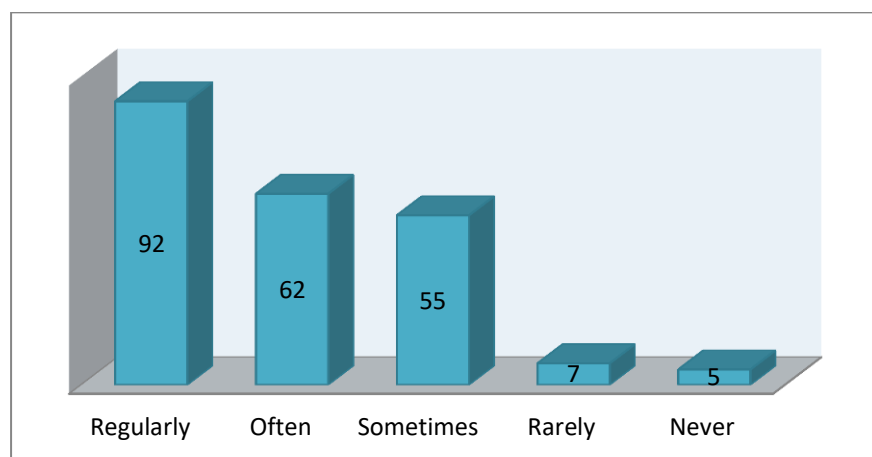

5. Fairness of the internal evaluation process by the teacher

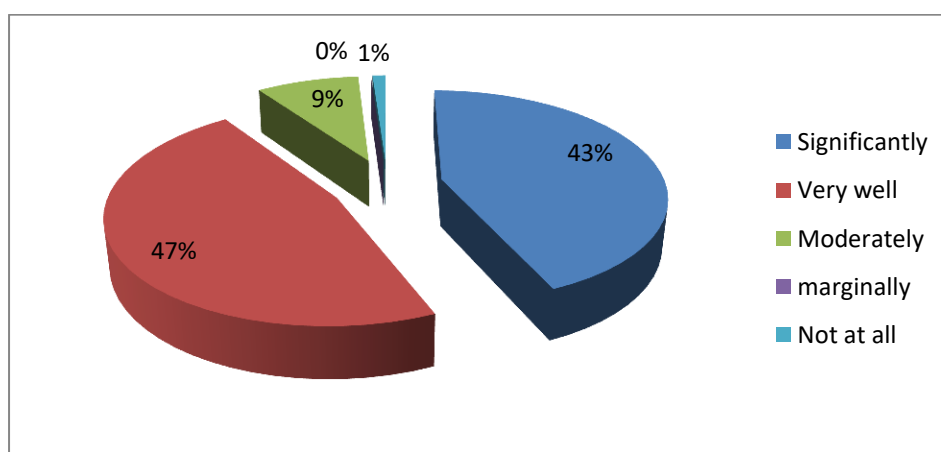

6. Was your performance in assignments discussed with you?

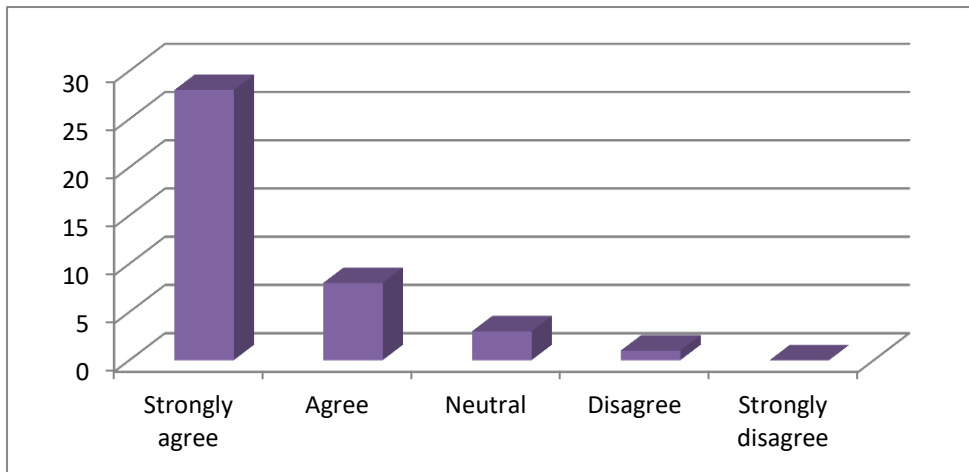

7. The institute takes active interest in promoting internship, student exchange and field visit opportunities for students.

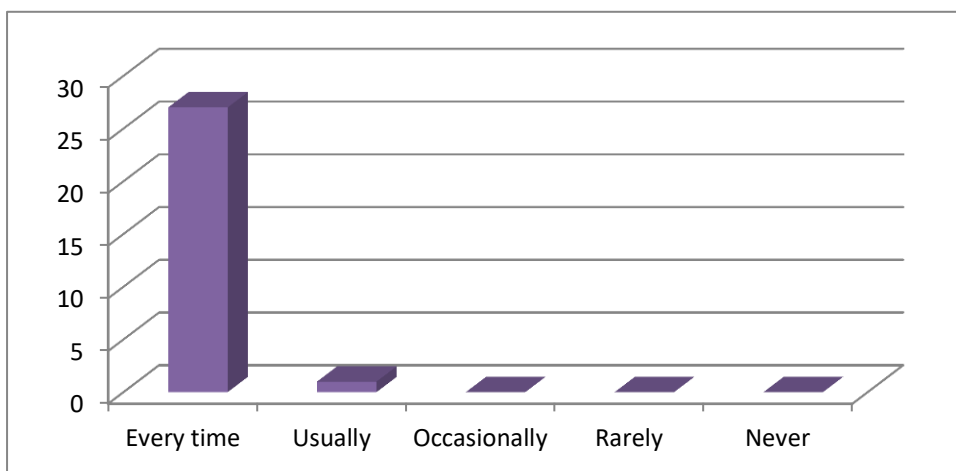

8. The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.

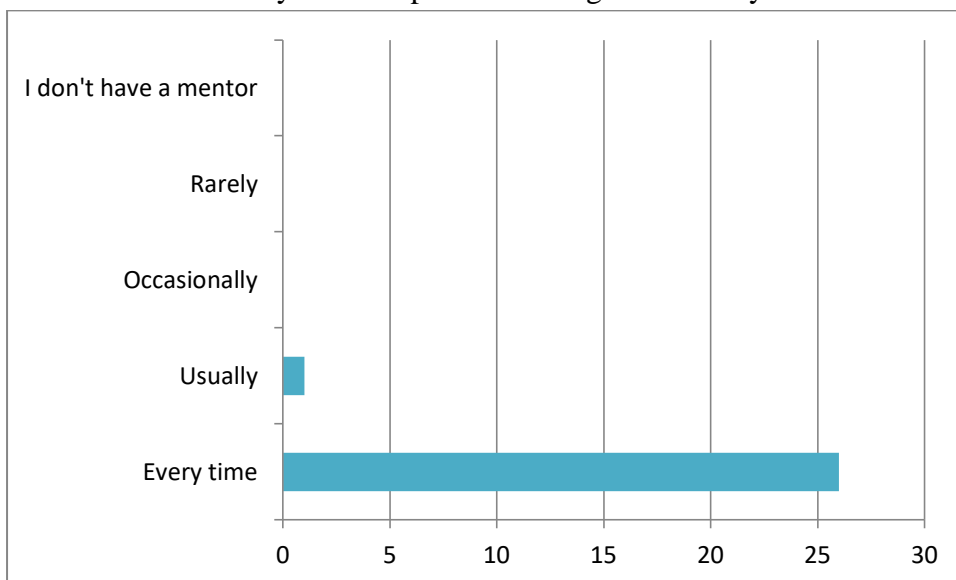

9. The institution provides multiple opportunities to learn and grow.

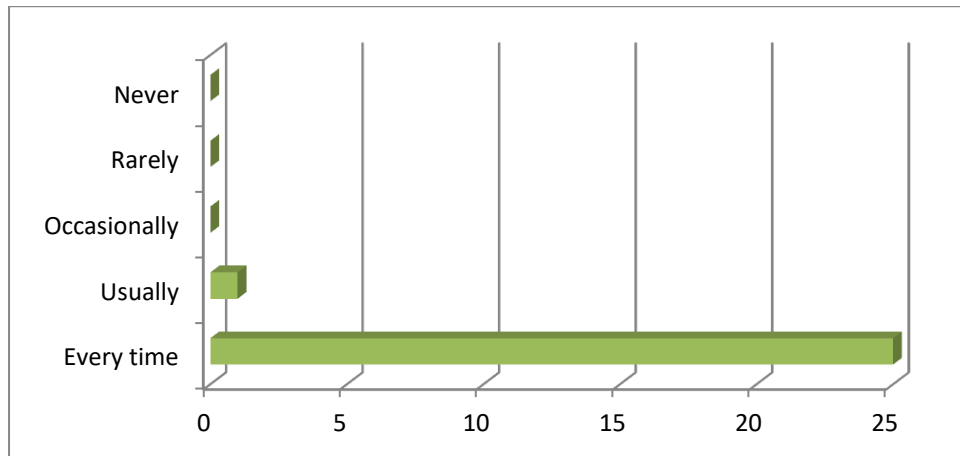

10. Teachers inform you about your expected competencies, course outcomes and programme outcomes.

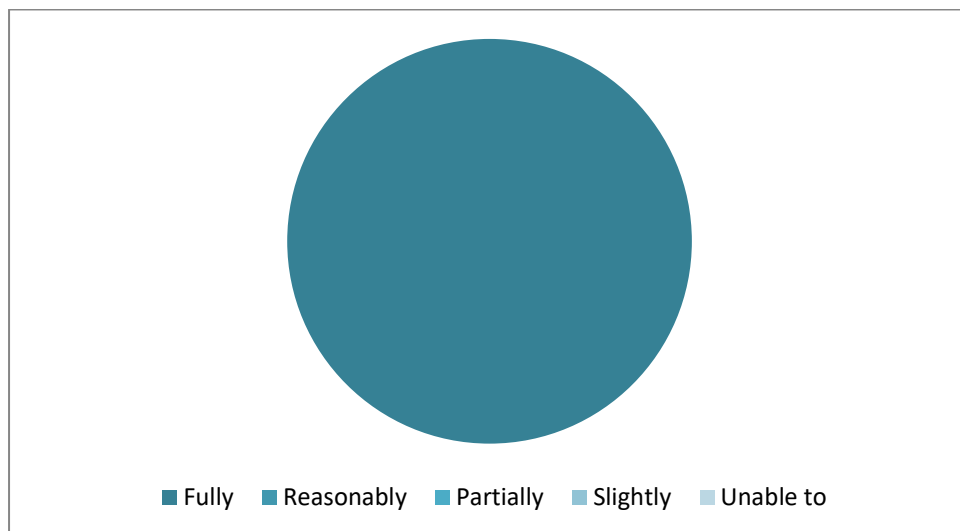

11. Your mentor does a necessary follow-up with an assigned task to you.

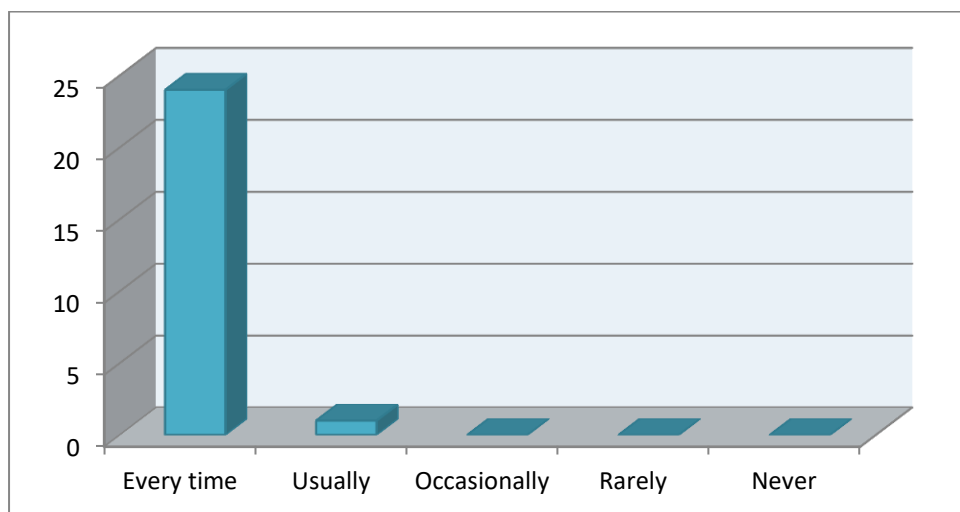

12. The teachers illustrate the concepts through examples and applications

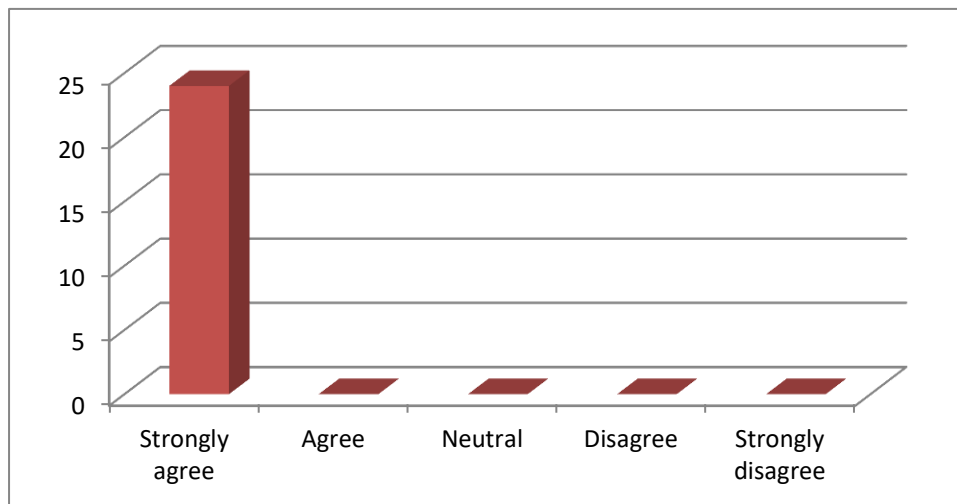

13. The teachers identify your strengths and encourage you with providing right level of challenges.

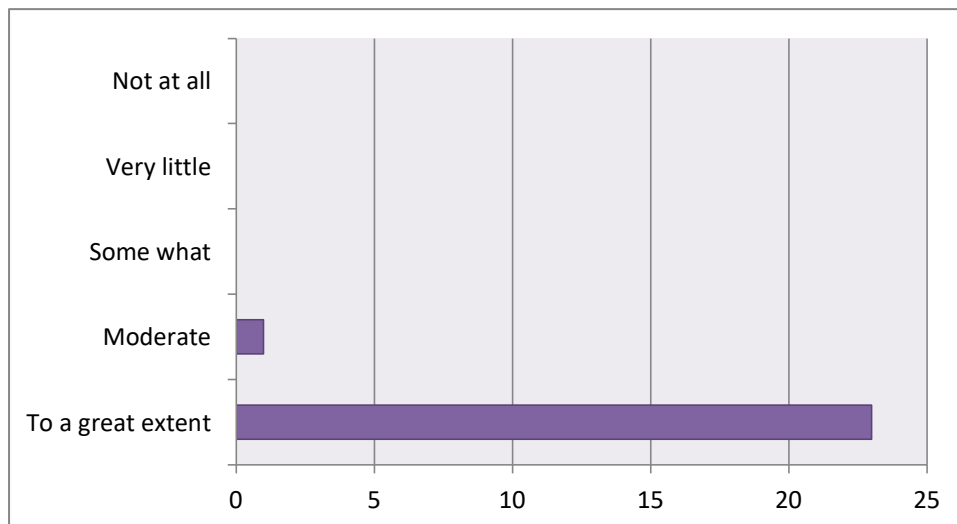

14. Teachers are able to identify your weaknesses and help you to overcome them.

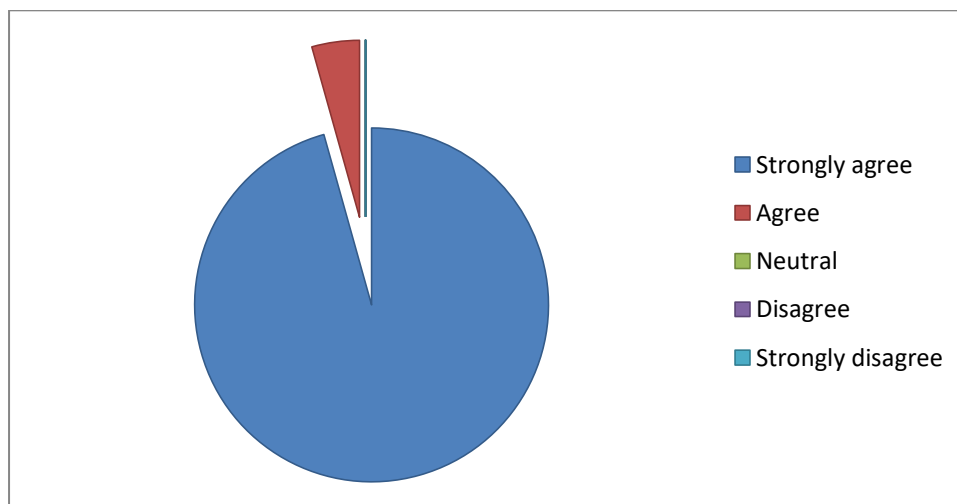

15. The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.

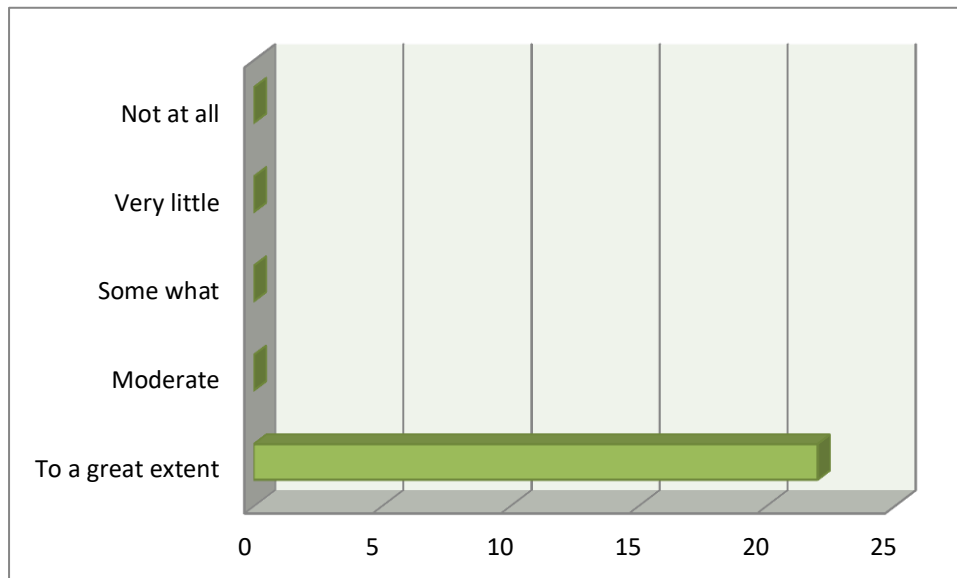

16. The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.

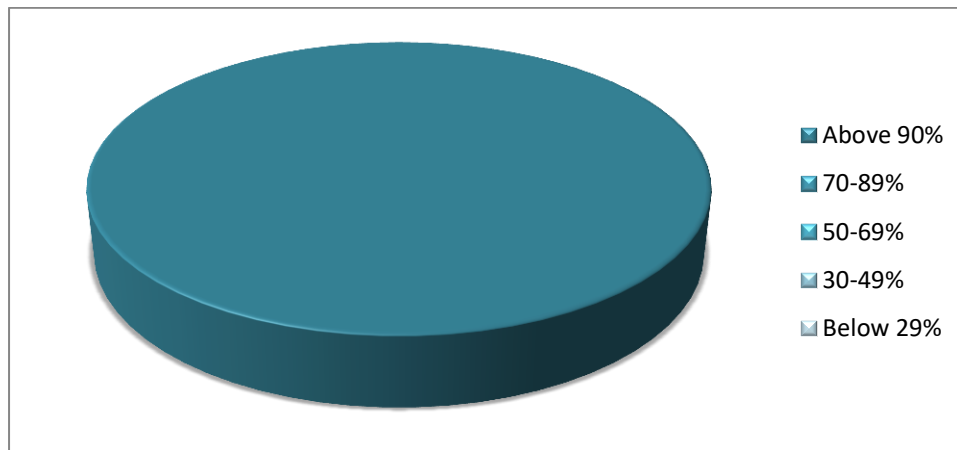

17. Teachers encourage you to participate in extracurricular activities.

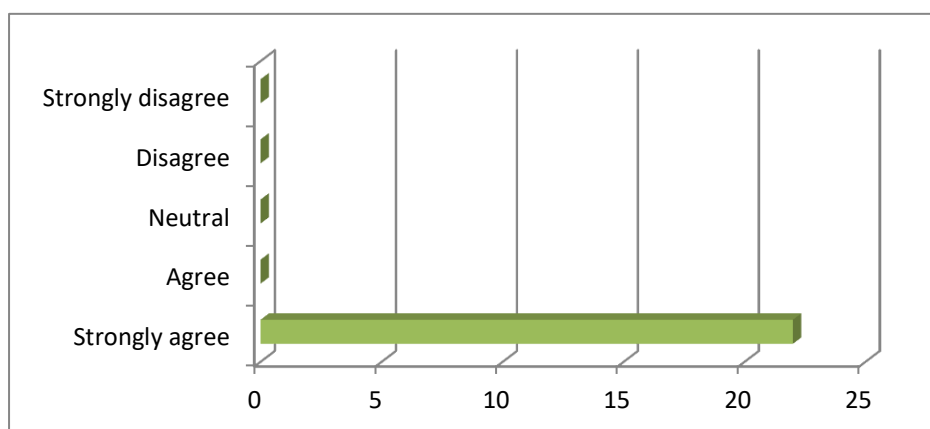

18. Efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work.

19. What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.

20. The overall quality of teaching-learning process in your institute is very good.

Some of the suggestions made by the students to improve the overall teaching- learning experience in our institution:

- English medium books are not available in the library.
- Use better graphics and visual media to engage students more in study.
- Need more books in library.
- Our library doesn't have sufficient book.
- Every degree level learning should be in English.
- They should improve the computer system for studying purpose.
- College canteen should provide good items in Lunch times.
- There are not sufficient books for all subjects including generic subjects.
- Both boys and girls Washroom are not clean enough.
- Student union doesn't take responsibility seriously.
- Provide LCD to all departments.
- It should be 100% digitalized education to be a part of competition in overall India.
- Our institutions have a proper girl's common room problem. So we need to improve it.
- And teachers are very friendly with students.
- Increase the number of teachers.
- The overall quality of teaching learning process in your institute is very good.
- Books related to the syllabus should be available in the department library or college library.
